

HLA-A Locus Rare Allele List

Total Count = number of times an allele was reported to the NMDP.
 Since 1987, 478,949 HLA-A locus allele level results have been reported to the NMDP.
 The number of times any listed allele was specifically tested for is unknown.

HLA-A Locus Rare Allele List

Total Count = number of times an allele was reported to the NMDP.

Since 1987, 478,949 HLA-A locus allele level results have been reported to the NMDP.

The number of times any listed allele was specifically tested for is unknown.
