

HLA-DRB1 Locus Rare Allele List

Total Count = number of times an allele was reported to the NMDP.
 Since 1987, 2,524,445 HLA-DRB1 locus allele level results have been reported to the NMDP.
 The number of times any listed allele was specifically tested for is unknown.

AFA = African American,
 API = Asian or Pacific Islander,
 CAU = Caucasian,
 HIS = Hispanic Race or Ethnicity with CAU or no race,
 NAM = Native American,
 OTH = Multiple, Unknown or Decline

HLA-DRB1 Locus Rare Allele List

Total Count = number of times an allele was reported to the NMDP.

Since 1987, 2,524,445 HLA-DRB1 locus allele level results have been reported to the NMDP.

The number of times any listed allele was specifically tested for is unknown.

AFA = African American,
 API = Asian or Pacific Islander,
 CAU = Caucasian,
 HIS = Hispanic Race or Ethnicity with CAU or no race,
 NAM = Native American,
 OTH = Multiple, Unknown or Decline

HLA-DRB1 Locus Rare Allele List

Total Count = number of times an allele was reported to the NMDP.

Since 1987, 2,524,445 HLA-DRB1 locus allele level results have been reported to the NMDP.

The number of times any listed allele was specifically tested for is unknown.

| Allele | AFA | API | CAU | HIS | NAM | OTH | Total Count | Rare (< 1:100,000) | Zero | Publish Date |
|------------|-----|-----|-----|-----|-----|-----|-------------|--------------------|------|--------------|
